Forecast for Monday 25 Sep 2023

Weather: Any low cloud at first soon lifting and tending to break as the morning progresses, allowing increasing sunny spells and occasional showers. Any showers fading by late afternoon, becoming dry with clear spells to end the day.

Chance of cloud-free hill tops above 600m: 40% becoming 90%

Low cloud and visibility: Cloud bases down to 300-400m at first, quickly lifting above the summits by mid-morning. Visibility will be very poor in low cloud at first, improving to become very good, and only briefly deteriorating in showers.
